

Helping Hands Out of School Hours Care (OSHC) at Chelona State School

Helping Hands Network works in partnership with Chelona State School to provide Outside School Hours Care services to the school community.

Location

The Helping Hands OSHC facility is located in the school library. All children attending the service must be dropped off in the morning or collected in the afternoon by an authorised person and signed in and out of the OSHC room each day.

Programs

Helping Hands Network tailors their programs to meet the local school community needs, providing much more than child minding.

Their programs are designed to develop stronger, healthier, happier children and to provide an environment that is like a “home away from home”.

Programs are developed in consultation with children, parents, the school community and Helping Hands Educators. They are tailored to cater to the children’s age, skill, interests and abilities through a variety of challenging and recreational activities.

Before and after school care

Care is available 5 days per week during term time. Before school, the service operates from 6.30am – 8.30am. After school, the service operates 3.00pm to 6.00pm. Children can walk straight to and from their classrooms. Educators pick up and drop off the Prep and Year 1 students and escort them to the OSHC room.

Vacation care and student free days

A full day program is available 5 days per week during school holidays, and on Student Free Days from 6.30am to 6.00pm.

Food

Helping Hands Network provides a healthy breakfast at Before School Care and a healthy afternoon tea at After School Care. Breakfast, morning tea, and afternoon tea are all provided at Vacation Care. In addition to these meals the children also have the opportunity to participate in

cooking activities and the occasional special treat.

Government subsidies

There are a number of schemes available to parents including;

Child Care Benefit (CCB) – CCB is a means tested benefit available to parents accessing Outside School Hours Care. The percentage benefit available to a family is determined by criteria including the number of children in care and household income. Helping Hands Network automatically lodges claims on behalf of parents, and only bills for the difference.

Child Care Rebate (CCR) – This rebate is available to all families, and entitles families to receive 50% of their out-of-pocket child care costs up to \$7,500 per child per year. This can be claimed as a rebate paid quarterly. Alternatively, you can now arrange to have it paid direct to Helping Hands to reduce your upfront fee payment. If you would like to take up this second option, please contact Centrelink in the first instance, to make these arrangements.

Cost to parents after CCB and CCTR

To get a quote, or to make an enquiry to use the service, please contact the Coordinator of the service directly on mobile 0475 825 344, or by email at chelona@helpinghandsnetwork.com.au or the Helping Hands Help Desk on email: accounts@helpinghandsnetwork.com.au or phone (07) 5390 0500.
