Principal's foreword

Introduction

Chelona State School is surrounded by cane and cattle properties yet only a ten minute drive south of the Mackay Central Business District. We are proud of our learning environment which encompasses a strong sense of community and sensitivity to our ecological footprint.

Chelona State School enjoys a reputation for providing an inclusive and progressive academic program. We have a dedicated staff who are committed to ensuring all students receive the educational experiences they require to meet their needs for the future. Our goal is to develop the whole child which includes academic, sporting, cultural social and emotional. Through high expectations for the provision of learning experiences, our focus is to build on the existing strengths of our students, while taking advantage of the wide range of opportunities that emerge.

This document is available electronically but hard copies are available at the school office.

School progress towards its goals in 2014

- Review data collection, benchmarks and targets aligned with Regional expectations.
- Revise Chelona's approach to the explicit teaching of Reading and update our Reading Program.
- Develop and document Chelona State School's approach to the explicit teaching of Writing, Spelling, Grammar and Punctuation.
- Professional development for staff in the explicit teaching of writing.
- Refine the process for the moderation of writing with other small schools.
- Revise and maintain an assessment and data collection plan.
- Build internal processes of 5-weekly data collection and analysis.
- Develop cluster/local school plan including liaising with Mackay State High School.
- Develop and maintain community and school partnerships.

Future outlook

Develop a whole school reading policy that details what reading skills and strategies are to be taught in each year level.

- Capture and analyse five weekly data collections to ensure differentiated planning and teaching.
- Implement CARS and STARS reading program from Prep – Year 6.
- SCORE Comprehension across the school

School Profile

Coeducational or single sex: Coeducational

Year levels offered in 2014: Prep Year - Year 7

Total student enrolments for this school:

	Total	Girls	Boys	Enrolment Continuity (Feb – Nov)
2012	84	34	50	96%
2013	90	38	52	92%
2014	78	34	44	94%

Student counts are based on the Census (August) enrolment collection.

Characteristics of the student body:

Chelona State School was established in 1893. It is a Queensland co-educational primary school situated 15 kilometres south of Mackay, with a 2014 enrolment of 78 students. Chelona is a small rural community with many families from sugar cane properties and beach communities in the Mackay area. Several of Chelona State School's current students are the third or fourth generation in their family to attend our school. These historical ties create a strong sense of community pride in our school.

Average class sizes

Phase	Average Class Size		
	2012	2013	2014
Prep – Year 3	24	23	20
Year 4 – Year 7 Primary	13	11	20

School Disciplinary Absences

Disciplinary Absences	Count of Incidents

Social Climate

Students of Chelona State School represent their school with pride and are recognised for their learning, social and performance achievements. Many of our students are active within the community through involvement in local sports and arts disciplines.

Chelona State School has a strong peer leadership element in its daily routine and learning structure. School leaders [School Captains, Sports Captains and Student Council] are elected each year through a democratic voting system and are inducted into the Chelona School Code of Conduct for School Leaders.

Chelona State School has a strong commitment to promoting a safe school environment. Our school's Responsible Behaviour Plan acknowledges that students, staff and parents have responsibilities in regards to being part of the school community. We focus on rewarding favourable behaviour at weekly parades, special incentive awards each month and a trophy presented on our annual awards evening.

Inappropriate behaviour, as detailed in the Chelona Responsible Behaviour Plan, attracts consequences such as the loss of privileges. There is broad agreement that bullying is an observable and measurable behaviour. Throughout our curriculum delivery, students engage with anti-bullying strategies on all levels including bystanders and cyber-bullying. We believe that if disruptive behaviour is minimised, then behaviours such as bullying will be less common and consequently we have very few incidents of bullying at our school.

* Nationally agreed student and parent/caregiver items were incorporated in the School Opinion Survey in 2012.

'Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement. Due to a major redevelopment of the surveys (parent/caregiver and student in 2012; staff in 2013), comparisons with results from previous years are not recommended.

Involving Parents in their Child's Education

Chelona State School's parent and community body is highly regarded when making decisions about the school and the educational future of their children. Active fundraising by the P & C committee

allows them to purchase extra learning resources for the students to use and subsidise the costs of school excursions and camps.

Staff welcome parents into classrooms to assist students in their metacognitive learning, reading, writing and speaking. Parents are also invited to assist with school excursions, camps and sporting activities.

Parents are offered two formal interviews per year (at the end of Term 1 and Term 3) to discuss their child's progress with the teacher. Our newsletters regularly remind parents that they are welcome to make an appointment to discuss issues regarding their child's development with the class teacher or principal.

Reducing the School's Environmental Footprint

We aim for Chelona State School to be environmentally sustainable in our daily operations, as a place of total learning, as a key part of the local community and provide opportunities for students to contribute to a more sustainable future.

Chelona's waste system includes three bins: paper/cardboard, non-recyclable materials and food scraps. Food scraps are used in the composter and worm farm. Compost is used on vegetable gardens. Students are encouraged to bring their lunch in reusable containers rather than plastic wrapped or bags.

The school has made a concerted effort to reduce electricity use by making staff more aware and encouraging students also to be more aware about turning off equipment when not in use, especially computers. The reduction kWh can be attributed to the efforts of our staff and students.

Years	Environmental Footprint Indicators	
	Electricity kWh	Water kL
2011-2012	40,511	0
2012-2013	31,968	1
2013-2014	30,879	0

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

Student Attendance Distribution

The proportions of students by attendance range.

*The method for calculating attendance changed in 2013 – care should be taken when comparing data after 2012 to that of previous years.

Description of How Non-attendance is Managed by the School

Non-attendance is managed in state schools in line with the DET policies, SMS-PR-029: Managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

Chelona classroom rolls are marked electronically at the beginning of the day and after 2nd break. Parents are required to supply a reason for student absence and if children are absent for a couple of days without reason, the school will contact the parents. This is part of our legal duty of care.

Chelona State School has not had an issue with parents informing us about children's absence. Parents either ring or email the Teacher or Administration informing us of a child's absence. In the last 12 months the school has rarely needed to contact any parent to ascertain why their child was absent from school.

Attendance is encouraged through various articles in the school newsletter.

Key student outcomes

Due to low numbers in the year 7 cohort data has been withheld on the My School Website however all students in year 7 were at or above National Minimum Standard. In year 5, 100% of the cohort achieved above the National Mean Scale Score. Year 3 achieved 100% above National Minimum Standards but below the National Mean Scale Score.

National Assessment Program – Literacy and Numeracy (NAPLAN) results – our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7, and 9.

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.

Achievement – Closing the Gap

Chelona State School is unable to report on Closing the Gap as the number of Indigenous students is less than five and reporting could lead to identification.

Our school expectations are that Indigenous & Non indigenous students should be achieving at the same high level and their attendance is also at a high level. Indigenous perspectives are taught in all KLA's
